Anything you want me to know  
Lisa?

Then the  $\nabla$  but  
like those green plastic  
stand up little army guys but  
upside down and still the  $\nabla$ .

"Soldier"

You told me to flip 14 pages and  
whatever is on that page is concrete,  
what is there that is concrete?

It's a skeleton.

What about this skeleton? I see  
the skeleton in the position above  
and it is forcefully and repeatedly  
being slammed down to the ground.  
Very forcefully and each time the  
head bounces horrendously off the  
ground.

What else?

Sailboat.

What about the skeleton? Where  
can I find the skeleton?

(abandonment) - Scups Reversed. Keep seeing that.

String  
or wire

heard "riding the wire."

Who is C?

~~Well~~ right man's  
hand w/

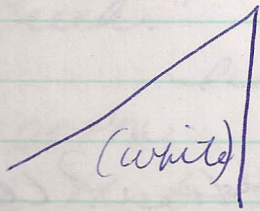

woman's hand resting  
on it like you would see in  
a wedding photo. He had a  
ring or something on the thumb

I keep seeing a hand right hand  
and I keep hearing "The hand"  
"The hand."

A thumb digging and pressing  
into something.

Automatic hand gun being held  
and fired. Clip reloaded. Target.

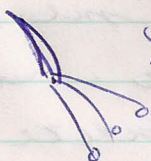

Started to see what looked like  
a man & a woman in a small  
boat then heard "Take me down  
to the boat on the river."

then it splits and  
becomes  
like a shark  
but it's not  
a shark &

it's biting and chomping on something  
like somebody's leg. (See 1.24.09 p2)

More about page 14 & what is  
concrete? "precision!" E That's  
a ring under but it's broken  
or missing links/rings. I think  
window then a back saw cutting  
through or <sup>cutting</sup> open something either  
the window, through a wall, some-  
thing like that. <sup>B's</sup> White something,  
animal's paw and it's showing  
me something  that it's  
holding, a cell phone but it  
also feels like a tape recorder,  
Charcoal gray in color.

That thing the "c" collapsed  
 into. It's a puppet -  
a "Mamouette" (\* See John's desc.  
1.2.07 pg 3)

More on page 14 and what is  
concrete? Right hand again.

"The hand that's in it." What  
hand is this? \*Steve

See  
Nov 21  
pg 9

\*Steve } a woman's eyelashes  
she's leaning into a man. They are  
lovers. Man & woman, naked,  
lovely. Baby <sup>infant</sup> fingers.

 sailboat. tattoo,  
some kind of marine or mariner's tattoo

Can't really make it out but it's  
on a mark right arm, I think  
the forearm.

Bride & groom but he seems  
like a **king** or a prince or something  
like that. They are in wedding  
garb and getting hot & heavy sexually.  
Colonel, Captain?

Because of psychic emails I've  
been getting, I wonder if there's  
someone who's a cop ( ) who is  
married who also has affairs  
that is connected to all of this  
somehow? Just a thought.

Asked if there were any other  
spirits that could show me  
what happened to Lisa. I saw  
the truck and heard "Freeze".

Then saw  freeze, I

wonder if that truck was an ice  
delivery truck?.
