Lisa, what do I need to know  
(that will help me to solve this?)

(11.11.08) → F

Barge. F with wires. Top of the  
tiger. L on the water

(11.13.08) I found this: → Combine  
Material Systems Hanson Materials  
1 site south of Empress casino

F. I keep seeing a google earth  
image w/ a river. The Combine  
thing was ~~near~~ on the east or West  
shore ~~of~~ of the river (my left)  
If looking at a map, it would  
be the "West" bank. I'm thinking  
Des Plaines in

Some kind of boat w a sail  
like that) Channahon  
by DeWitt

(11.13.08) F found it.  
It's on the river,  
Shuff Rd, 1 site south of  
the Empress casino) DeWitt

Wire. Mail bag. Rose.

(coil) ← (coil plus?)  
Rings and a pair of hands prying

them apart,

~~separating~~ separating them  
from each other. The rings  
were uniform  
in size,  
all the same

The hands were pulling the rings away from each other so they were no longer stuck together, they were each independent of each other. Break apart.

Lisa, how will this help me solve it?

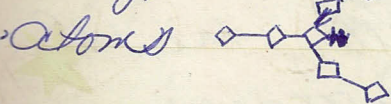

lighthouse.

(Baley)

Am seeing an ultrasound image (saw this before) (see Nov 13, pg 3 & Nov 10, pg 4)

→ A ← ~~Unit (name may be my projection or thinking)~~

What's going on? €

Door → € (room) Some one/group Busts through the door and pushes through €.

Capital (Bldg). € CHIEF

saw it as you would expect Indian garb, sleeve

5.29.09 I guess I picked up that 1545 that

What Chief?

fuzzy <sup>(not clear)</sup> corners  Shark

<sup>day</sup> biting, <sup>date</sup> clamping, ferociously.

Inn Biting  that turned into the black car seat. Big ass shark, like JAWS. Sept 11 See pg 3

"What Chief?" Triangle  This shark is pissed! He's got teeth!

Fire Chief? 3.10.09

As this Chief Good or Bad?

heard "water" at first was seeing a flag on a pole and it being put in the ground by a few people was similar to the famous 9-11 of the firefighters putting the US flag up (like the WCTH doc). (see Aug 7, pg 2)

hour glass  Brown shaggy dog. (see Aug 7, pg 2)

was to be PPD

saw him holding a hard gun and firing it, slowly, slow & steady.

Keep hearing he is good but not sure.  Whetted arrows. (see psycenic emails 04.01.08 promunkle)

Asked if he is good? "YES!"

So, who are the bad gup Chief is  
going to get?

Rose

≡ ← Chief

strip on sleeves/cuffs of  
Uniform. Something in his hand.  
white, like chalk, he uses it to do  
something, write, teach, something.  
Who are the cops the Chief is  
going to get? I see the  
car seat being folded, pushed  
down.

So what did these cops do?

A <sup>(see Nov 13,  
pg 3)  
& Nov 10,  
pg 2)</sup>  Looks like the  
Arby's hat.

Cave dwellers. (WTF?)

Gambino, Bambrino, something like that.

"Sound Control to Major Tom,"

Over & over & over, I keep hearing this.

(This came to me while sleeping)  
John Oglesby  
Car dealership. I heard it as "auto" dealership.

I woke up last night to hearing "Sound Control to Major Tom", except I couldn't make out "Tom". I heard it over & over & over again, to the point of driving me insane.

9:30 PM) woke up to "Sound Control to Major T" almost heard the "T" but not quite.
