Someone (woman) leaning over ~~tasting~~ a whitish pillar candle ^(lit) licking candle wax. like icing on a cake, saw white icing spilling over a cake (bunt type cake). [Wax has to do with money \$\$.

Auger, drill spinning, working,

heard: "Work it" (fuck! Hoping it
would say move on.)

Saw HUGE ship w/ black bottom
in the ocean, just saw the bow
of the ship, then it began to
sink. *(see Oct. 20, 2008, pg 2) sank from the rear flat at the rear

was kept out
back in the
freezer in
the shed 11.07.08

? hmmm...

Can't get anything else aside from
a small building, maybe one room
like a shed or tiny house shaped like
this:

11.08.08
the shed at
the cabin is
green

Then with shutters, I
think Maroon/Burgandyish

Shaking, ^{very} violently **SUDDEN** Charge.
Then seeing it ^(the one room building) crack and start to
split Open.

Kept seeing ~~the~~ ^{Cracks &} splitting open.

"who should I focus on?"

Seeing a wreath, thinking Christmas
but its shape is like the Jewish
Star. 11.07.08 when wondering if I misread the Star
for Jewish instead of Police Star?

Then saw

← but they
were solid
black

"Who?"

feet, strange, funky, ugly toes,
strangely shaped/formed or twisted.
Deformed feet.

← WTF?
