Dream I had last night relates

[Redacted]

Tall man, ^{Bigger too} C. 2ish, late 50s early to mid 60s. longer white hair, ^{hair} ~~grey~~ white or near white/off white suit jacket, on the inside. ^{As in FBI or someone in authority} I was ^{LEAD} ~~trying~~ trying to get away and had help from a female my size maybe ^{11.16.08, swordcut of this is Lisa. I bet it is.} younger, maybe the same age. ^{Mark} hair. I had the codes to the game and they were after me. long dream too much to write here but the white haired man saw me just as I was to escape, or begin my trek to escape and get to where I needed to go - authorities - to turn in the evidence. He saw

me at the last minute. I left
 out of the door I was hiding behind
 and ran into a man ^(younger than me) who I
 told to block that door and
 don't let anyone get out. He
 went to do that without question.

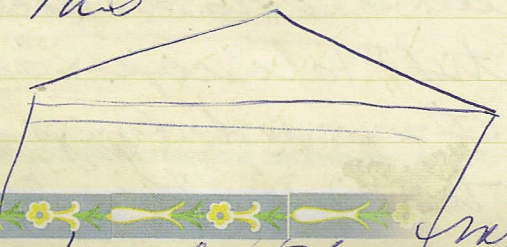

Wode. I had 2 purses too.
 One Cream & one pink. I may
 have left my purse in one
 of the hiding spots. (Carver?)

 Lisa Stary

I had another that related but
 I cannot remember it now.

This was about Lisa.
 I very, very vividly saw a
