Lisa. Definitely something to do with a "ring" as in drug ring. Poppy-heroin, ^{cocaine} Lisa was "mixing it up" and may have been having a lot of night time fun w/ women, or men, as in maybe seeing more than one person or just picking guys up in bars and having one night stands.

I saw a woman ring as in an engagement ring.

As it relate to Stacy, somehow there is a triangular connection and she ^(H100) became a "game piece". I actually saw the triangle turn into one of the game piece from "sorry". It appears, from what
