Good afternoon, Lisa. Do you have anything for me?

I'm having a hard time in this space. I will try again later.

5:55 PM

Too much going on. Can't get anything right now, all I was picking up was a dark haired woman w/ gold head band sitting in a chair or throne, felt like Cleopatra. Kept picking that up. White gown w/ gold, I believe.

10:00 PM

Way too tired. I will try in the morning.

* I remember now. Susan K. Green was one who appeared on the board of director of the Park & Development.

▲ (see)
Confused. In book, I wrote "Susan K. Green" for the hunting club North of the cabin but on cabin page, when transferring info, I wrote "Barbara Green".

I wonder what I put in Emails to Authorities back in March/April 08? Wonder which one it is? When I woke from the dream and heard "Barbara Green", I thought this was ~~the~~ someone associated w/ the owner of the hunting club, now I need to rethink this.
